Marshall managers discuss Chandra mission Wednesday

Fred Wojtalik, Chandra program manager, and Dr. Martin Weisskopf, Chandra project scientist, will participate Wednesday in briefings — to broadcast on Centerwide TV — on the upcoming launch of the Chandra X-ray Observatory. The mission overview with Wojtalik begins at 8 a.m. Weisskopf will participate in the Chandra science briefing beginning at 9:30 a.m.

Severe weather drill, 2 p.m., Wednesday

Employees asked to share Apollo 11 memories

The Marshall Star invites employees to share their recollections of Apollo 11. Write one or two sentences about where you were and how you felt when the Saturn V launch vehicle carrying the Apollo astronauts lifted off July 16, 1969, or when Neil Armstrong stepped on the Moon July 20. E-mail to Robert Jaques by close of business Friday. The Star will publish as many recollections as possible in its July 15 issue.

Apollo 11 Factoid

In Bangkok, freedom for 622 pardoned prisoners was delayed because guards refused to leave TV sets during the Apollo 11 landing on the Moon. Remember to mark calendars for Marshall's Apollo 11 anniversary celebration and picnic July 17.

Thrift Savings Plan open enrollment through July 31
